## What is EBAA?

The European Business Aviation Association (EBAA) is the leading organisation for operators of business aircraft in Europe. EBAA represents more than 700 companies from across the entire value chain of the European Business aviation industry.

## **What is IBGAA?**

The IBGAA has been set up by the industry as a not for profit to work for the development of all aspects of Irish Business Aviation and to promote Ireland as a great location for business and investment opportunities. IBGAA has international recognition through its membership of IBAC and CEBA.

## **Improve your business**

EBAA is a business aviation knowledge hub, one of the most comprehensive in Europe, which means that you can stay informed of the latest developments, stay compliant and avoid fines.

IBGAA will ensure that all members are kept informed of and up to date on all relevant industry insights, developments and innovations.

## **Expand your network**

EBAA is a network of the top business aviation decision makers in Europe, which means that you can generate leads and maintain your relationships, and present your services to our 700 members.

IBGAA members are provided with extensive opportunities to grow their businesses, build relationships, and develop strategic partnerships within the business and general aviation ecosystem, as well as across ancillary sectors such as tourism and hospitality

## **Raise your voice**

EBAA shapes business aviation regulation in Europe, which means that by being a member of the EBAA, You can participate in the decision-making process, thus ensuring that your challenges are taken account of in regulations.

IBGAA and its members play a key role in inciting positive change across the entire Irish business and general aviation landscape through working with various Government officials
